Kala-Rhythms: Consciously Peddling into the Future!

7/17/2007

David Katzmire debutes his ground-breaking Kala-Rhythms on Wednesday, July 18th at 7:30pm at the Meta Center of New York City. Advance registration is \$20 or \$25 at the door.

The Meta Center is located at 214 W. 29th St. Doors open at 7pm. This is an event not to be missed if you want to know where we are today in time and the cycle of changes of energy through time.

Today, David discussed with GNB these cycles and how physical, emotional and intellectual rhythms define our times. Where are we in the economy? What will be the next fad? Are we moving forward or backward? These answers are in David's map of time known as Kala-Rhythms and they may pleasantly surprise you.

"If you know the flow of cycles, you have an upper hand on your future by tapping into your what's next pattern" quotes David Katzmire.

Today was the 2nd time David has been our special guest on GNB. His 1st was on our Episode #20 on June 7th of "The Water Hour".

On "The Water Hour" #20 he gave an amazing Kala-Rhythms report which covered a view of Water-Related-Events. You can view this LIVE broadcast at: <http://www.wvrf.org/thewaterhour.htm>
